

## ■ Carolinas HealthCare System - Pineville Dietary Department:

Location: Pineville, North Carolina  
 Principals In Charge: John M. Beyer, AIA, NCARB  
 Contact: Chris Hummer, President  
 704.667.0405  
 Square Feet: 191,849 Addition & 56,037 Renovation  
 Cost: \$96,924,453  
 Completion: November 30, 2012

■ This new Dietary Department is located in the Phase II Bed Tower Addition & Renovation Project for Carolina's Medical Center in Pineville, NC. The design features a centralized scatter arrangement Serving Area with a variety of specialty grilles, including a brick pizza oven. Many of the coolers are self serve to maximize serving efficiency. The new Dining Area and Espresso Bar are both very successful staff satisfiers for the Hospital. The Dining Area is open 24/7, and is separated from the Kitchen with a horizontal operating security grille which closes during third shift operations. The project also includes a new Kitchen, Coolers, Offices, and support space, such as Dietary Consultation Rooms.
